

Group Lessons Wet Weather Policy

In the event of poor weather conditions a lesson may be cancelled and a credit given. Any decision to cancel will be made as late as possible. However the courts drain very well and we will play in rainy conditions if possible, so please send players in suitable attire. If the coach responsible for the lesson believes that it would be unsuitable for the health and safety, likely to be a significant distraction or result in a negative experience (especially concerning children's lessons) the lesson will be cancelled. If the lesson is cancelled prior to the starting time of the lesson, players (or players parents / guardians) will be sent a text. Please ensure that we have up to date mobile phone numbers. Please bear in mind the difficulties in trying to predict the British Weather. Our intention is for as many lessons as possible to go ahead.

If a lesson runs over half of the designated time and is interrupted due to weather conditions, the lesson is considered a full lesson and no credit will be issued. If a lesson is cancelled or interrupted due to bad weather conditions before half of the lesson is completed a credit will be given.
