

## Private Lessons

Our coaches do provide one-to-one private lessons for members and non-members. As a member, you will receive indoor courts and floodlights at a discounted rate and do not pay for outdoor courts. A non-member will be charged an additional price of £5 payable to the club not the coach.

The coaching team are self-employed for their individual lessons, so charge their own rates within the club's guidelines. All coaching fees are payable to the coach direct. Court and floodlight fees are payable at reception before the lesson.

Level 1 Coaching assistant course	hourly rates £7 to £10
Level 2 Coaching assistant course	hourly rates £10 to £15
Level 3 Coach	hourly rates £15 to £25
Level 4 Senior Coach	hourly rates £25 to £35

In addition to one-to-one lessons, you may choose to form your own private group with one, two or three players which is a great option for players who cannot fit into our regular scheduled classes. Please speak to individual coaches about rates.

## Private Lessons Cancellation Policy

Please contact your coach 24 hours before the lesson if you need to cancel. Unfortunately any lessons that are cancelled less than 24 hours will be charged at the full rate.

For individual lessons booked on indoor courts please see indoor court cancellation policy as this will also apply. Payment will be required before any further bookings can be made.

Individual coaches have the discretion not to charge a cancellation fee.
